WORK PROFILE

Transaction Delivery and Project Management

Deliver high quality work under guidance of the respective team lead, in following areas in order to meet project requirements and at the same time, ensuring timeliness, accuracy and completeness of the deliverables:

- Co-ordinate with the transaction teams to support on-ground development of a project. This would include close interaction with the working level team members of the client and other stakeholders in the project like off-takers, lenders, etc.
- Develop understanding of the commercial and contractual implications under various contracts, specifically for Project Financing
- Develop knowledge about high-end, complex financial models by analyzing key business drivers and conducting scenario and sensitivity analysis in order to ensure compliance with project documents and applicable accounting & taxation principles
- Support in design and development of best solutions for clients by gathering information and conducting analysis
- Prepare reports, information memoranda, summary and presentations

Client Interaction

- Interact and engage with client teams to understand their requirements
- Respond to the client's changing needs and priorities under the guidance of team lead
- Support the team in designing and developing solutions to best address client's needs and requirements

Business Development

- Conduct research and analysis of sectors, geographies, clients, competitors, analyze data and write reports to generate Business Development opportunities
- Support in responding to development of proposals requested by potential clients

EDUCATIONAL QUALIFICATION AND EXPERIENCE

- MBA or equivalent experience
- 6+ years of experience
- Experience with international banks, developers/investors / funds or similar financial and corporate advisory institutions will be an asset
- Experience and/or interest in infra/project finance is preferred

REQUIRED SKILLS

- Strong analytical skills
- Ability to work on Financial Models
- Basic understanding of Public Private Partnership (PPP)
- Ability to work in multicultural environments and multidisciplinary team • Attention to detail
